I understand that this class series may include periods of silent meditation or reflection, and I will be expected to keep "noble silence" during these advised times. I understand that as a participant of this class, I may be directed to participate in small group exercises and/or discussions. I also realize that continued meditation practice can be emotionally and physically challenging and that to the best of my knowledge, I am able and in sound enough mind and body to complete the 2-hour class requirements.

I also agree to hold Asheville Insight Meditation, Inc., their instructors, and representatives harmless for any difficulties I may incur as the result of participating in this event.
